Dear Mr

The undersigned company carries out the data processing activity relating to people who turn to the same company looking for employment, through C.V.

We inform you, therefore, that the data collected by the same relating to you are acquired and processed in paper form and/or on magnetic, electronic or telematic support only for the purpose of evaluating the possible interest in a future establishment of a contractual relationship to be determined in the content; the data will be processed for up to a maximum of 1 year, subsequently they will be deleted, unless otherwise indicated by the interested party or in the case of hiring.

The provision of the data itself is therefore optional and your refusal to provide it and subsequent processing will make it impossible for the undersigned to insert the data into its archive and consequently to establish any relationships.

The acquired data will be processed exclusively for personnel research activities carried out for own business needs.

In relation to the data themselves, you will be able to exercise the rights provided for by the art. 7 of Legislative Decree no. 196/2003.

The data controller is GHISALBA S.p.A.

Consent fac-simile form for CV

The undersigned declares to have received complete information referred to art. 13 of Legislative Decree 196/2003, and declares consent to the processing of one's personal data, including sensitive ones, qualified by the a.m. law within the limits and for the purposes specified in the above information.

I also authorize the company to carry out all the treatments here above indicated for as long as considered useful by the company itself and in any case no later than my request to delete the database.
